This is the great merchandising event of the year for the people of New London and Windham Counties. No other occasion approaches it, either in the volume of goods involved, or in positive money-saving opportunities.

For the past thirty-six years we have been holding these Annual Sales for the purpose of cleaning up winter stocks—and as the store grows bigger, and the stocks larger, so does this Annual Sale grow in importance on account of the vast quantities of merchandise involved.

This Annual Sale will be bigger than ever. In addition to our own stock, we will offer thousands of dollars' worth of merchandise bought from over-stocked manufacturers and jobbers, prior to the January stock inventory.
